

Hi

It's time to book Church Family Holiday for 2024!

It's a holiday for everyone in our church family. The weekend is an opportunity for us to come together in a relaxed atmosphere and connect, rest and grow together. The only agenda for the weekend is to have fun together.

Due to the increased prices at One Mile Park, we have made the difficult decision to move church holiday to Koala Shores Port Stephens Holiday Park located at Lemon Tree Passage. We have heard great reports about this Park and it will be much more affordable for everyone.

It's a great location, catering for all ages with many activities onsite including Putt Putt golf, tennis court, swimming pool, playground & jumping pillow. There are many options for all budgets with powered camping sites to a variety of cabins.

**When:** Friday 1 March to Sunday 3 March 2024  
**Where:** Koala Shores Port Stephens Holiday Park  
**Website:** <https://aspenholidayparks.com.au/koala-shores-holiday-park/>  
**Phone:** 4982 4401

The park is currently holding cabins and powered sites until the end of July, so bookings need to be done **by 31<sup>st</sup> July 2023**. See below a map of the park outlining the cabins and camping sites reserved. They are also offering a 10% discount, mention you are part of the New Vine Lakes Group when you book. If finances or booking by the end of this month is difficult for you, please let us know.

We're really looking forward to you being able to join us for Church Family Holiday in 2024. Please contact us if you would like more details.

Best regards  
Belinda & Rhondda
